1. Do you think a timer for students would be useful? (scale of 1 - 5, 1 = Highly Agree and 5 = Completely disagree)

1 Highly Agree	1
2 Agree	1
3 Somewhat agree	1
4 Disagree	1
5 Completely disagree	0

2. Would you (lecturer/tutor) like to know how long students took on each lab?

Yes	2
No	2

3. Do you have any remarks or other thoughts about the time?

"It would be useful to get aggregate statistics on time taken (i.e. anonymized..."

"I am only saying no here because you did not provide the middle ground (s..."

"For me, time only makes sense if it is somehow related to the learning goals..."

4. Do you think a reflective note input box for students would be useful? (scale of 1 - 5)

1 Highly Agree	1
2 Agree	2
3 Somewhat agree	1
4 Disagree	0
5 Completely Disagree	0

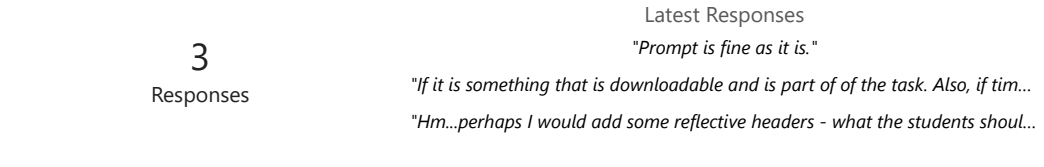

5. Do you like the wording of the markdown cell prompt? (Make a note on the previous task! Think about what you found difficult and what went well. Reflect on something)

6. Would you (lecturer/tutor) read the students reflective notes to get feedback?

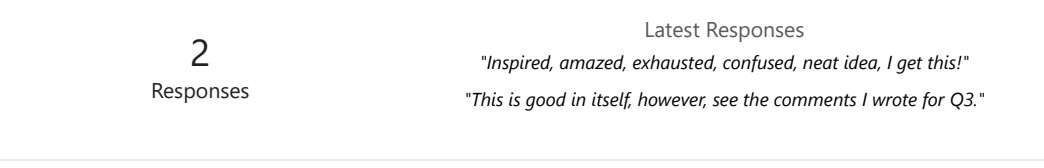

7. What would you change about the reflective note prompt?

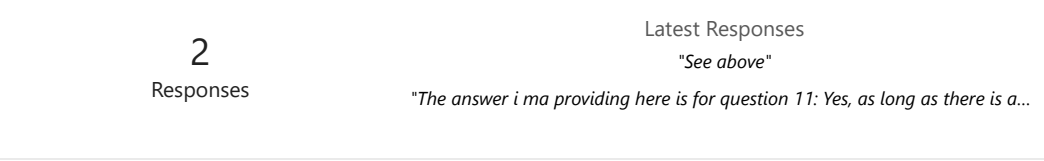

8. Do you think a drop-down emotion selection for students would be useful? (scale of 1 - 5)

9. What emotions would you change/add?

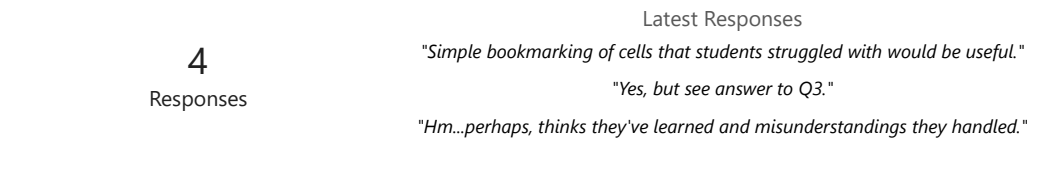

10. How would you reword the prompt and returned markdown cell for the emotion selection?

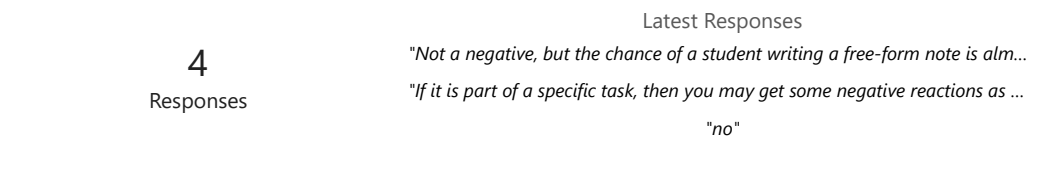

11. Would you like to know what the students are feeling during a lab?

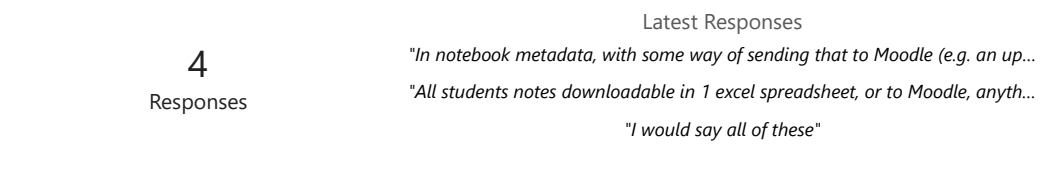

12. Do you think Level 1 students could benefit from any other form of reflective interaction?

13. Do you think any of the add-ons will cause a negative reaction for Level 1 students? (note, timer, emotion, none)

14. How should the user inputs be saved? (saved in the notebooks, exported to pdf, exported to moodle, any other suggestions?)

15. Would you (lecturer/tutor) like to access reflective data from a lab group?

16. If yes, what format? (csv, pdf, excel, other)

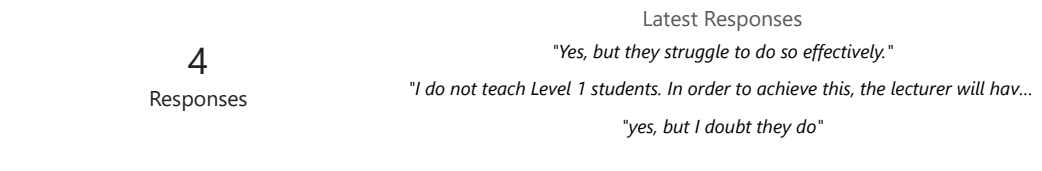

17. What other type of file?

18. Do you think the user data(reflective note, emotions, time) should be anonymised or identifiable?

19. Do you already encourage Level 1 students to reflect on their learning?

20. Any further comment?
